

Taking your pet on holiday can be a rewarding experience for both you and your pet

Not only do you and your pet get to spend quality time together, but you don't need to worry about who's looking after them and whether they are coping without you. You are free to enjoy your holiday, and so is your pet!

Horsham, known as the capital of the Wimmera is a lively city, with an excellent array of events held throughout the municipality and the extended region. It is a wonderful area to travel with your pet and offers a wide range of accommodation choices suitable for you and your family friend from B&B's caravan parks, holiday houses and motels.

Base yourself in Horsham and experience the town's striking surrounds, immortalized by painters Arthur Boyd and Sidney Nolan, and local events including the annual Horsham Country Music Festival; Kannamaroo Festival; Art is... Festival; the Spring Garden Festival; as well as the famous Nati Frinj Festival.

Responsible Pet Ownership while visiting Horsham

As a general rule, dogs are permitted in public areas in the Horsham on a lead and under effective control unless otherwise directed by local signage. Please ensure that you take the time to read our dog signage thoroughly as conditions will indicate what terms apply to each area. It is also a requirement in Horsham to carry disposal bags to pick up dog faeces, and dispose of it immediately.

If in doubt, contact Council on 03 53829777, and we'd be happy to help.

For veterinary assistance whilst here, you can call either Horsham Veterinary Hospital on 03 53811439 or Your Family Vet on 03 53811996

Horsham PAWS is a community based association with a strong commitment to promoting responsible pet ownership and improving the welfare of lost, abandoned and relinquished pets in the Horsham municipality. Since forming in April 2010, Horsham PAWS has partnered with Horsham Rural City Council in establishing a successful rehoming program that has seen over 1,000 animals rehomed, that would have otherwise had to be euthanased.
