

Wimmera Events Centre

VENUE

The Wimmera Events Centre is a modern, purpose-built facility set on 23 hectares, designed to accommodate large-scale events of all kinds. With two expansive pavilions, multiple smaller structures, and modern meeting rooms, the Centre is ideal for everything from festivals and expos to machinery displays, training sessions, community events, and corporate conferences.

LOCATION

Located at Longerenong, just 13 km from Horsham, the Wimmera Events Centre is within close proximity to the stunning Grampians National Park and Mt Arapiles. Conveniently positioned midway between Melbourne and Adelaide, it's easily accessible for regional, interstate, and national attendees.

CONFERENCE FACILITY

- Indoor pavilions can seat over 1,000 guests
- Outdoor capacity of up to 20,000 people
- All grounds fully serviced with electricity, water, and multiple amenity blocks
- Bulk chairs and trestle tables available onsite
- Additional equipment accessible through local partnerships

- Professional event management services available on request
- Air-conditioned and some heated indoor facilities
- Wireless internet and reliable mobile coverage
- Projectors and screens up to 3 metres
- Access to regional technical audio and lighting professionals

CATERING

While the Centre does not provide in-house catering, arrangements can be made through a variety of trusted local catering providers.

ACCOMMODATION

Quality accommodation is readily available just a short drive away in Horsham.
